The Court held a final prehearing conference to discuss the procedures for Thursday's Zoom hearing and to address pending issues. The Court encouraged defense counsel to coordinate their strategies and work together to have a fair, streamlined, and efficient hearing. Counsel for the plaintiff explained plaintiff's claims in more detail, agreeing that his claims were based solely on the Electors Clause and the Equal Protection Clause. Counsel also discussed his requests for declaratory relief and a request for injunctive relief against defendant Governor Evers.

The Court took the motions to quash, ECF Nos. 62, 68, and 79, and the motion in limine, ECF No. 114, under advisement, and strongly encouraged the parties to confer and agree on a set

of undisputed facts. Counsel for defendant Governor Evers made an oral motion in limine to exclude the declarations of persons submitted by plaintiff who were not also listed on plaintiff's timely-filed witness list. The Court took the oral motion under advisement. The Court granted plaintiff's motion to file an oversized brief.

IT IS HEREBY ORDERED:

1. Plaintiff's motion for leave to file excess pages, ECF No. 110, is GRANTED.
2. The parties may file replies to their motions to dismiss by **9:00 p.m. on Wednesday, December 9, 2020.**
3. The parties shall meet and confer to discuss a potential stipulation of facts and an exhibit list to be used for each witness before the final hearing. A report of the conference must be filed by **8:30 a.m. on Thursday, December 10, 2020.**

Dated at Milwaukee, Wisconsin on December 9, 2020.
